

ACM Student Chapter Excellence Awards Application

The ACM Student Chapter Excellence Awards Program recognizes chapters that display considerable initiative during the academic year. Chapters who apply must be in a good standing which includes having an active status, a complete chapter officer list and at least 10 chapter members on the Chapter Administrative Interface. There are five categories student chapters may choose from: Outstanding Chapter Activities, Outstanding Chapter Website, Outstanding Recruitment Program, Outstanding Community Service, or Outstanding School Service. **Please submit separate applications for every category your chapter is applying for. Hand-written submissions will not be accepted.**

Application must be submitted to local_activities@acm.org by **March 23, 2018**. In the subject line please state your chapter name and the category for which you would like your chapter to be considered.

The last section of this application will require an essay. Please review the guidelines below for the category you are applying to.

Outstanding Chapter Activities

For ACM student chapters that sponsor a series of exceptional activities throughout the year or have focused their efforts on a single major activity. Tell us about your chapter's most successful activities. Be sure to describe each activity, including how many people participated, how it was funded, and what made it a success. If you have web pages for these activities, include the URLs.

Outstanding Chapter Website

For ACM student chapters that maintain an outstanding chapter website. Tell us about the design and content of your website and any noteworthy features. Also tell us how you created it and what you do to keep it up to date. Don't forget to provide the URL so the judges can check it out.

Outstanding Recruitment Program

For ACM student chapters that have done an excellent job of recruiting chapter members. Tell us about your recruiting program. How do you let students at your school know about your chapter and how do you get them interested in joining? What factors are most critical to your success? How many members does your chapter have?

Outstanding Community Service

For ACM student chapters that have made significant contributions to their communities through one major service project or a series of smaller projects. Tell

us about each project, who it served, and how many people participated. Why was your chapter interested in these particular projects? If you have web pages for these projects, include the URLs.

Outstanding School Service

For ACM student chapters that have made significant contributions to their own schools through one major service project or a series of smaller projects. Tell us about projects that help your fellow students, your department, or your school in general. Tell us about each project, how many people participated, and how it helped your school. If you have web pages for these projects, include the URLs. (Note, if you have worked on projects to help other schools, for example neighboring high schools, apply for the Community Service award rather than the School Service award.)

Please provide a brief description of your chapter and school including number of chapter members (1500 character maximum):

About the Chapter

The ACM-W Student Chapter at Kristu Jayanti College is one of the youngest chapters with ten members, initiated on 21st August 2017. Since its inception, within a span of seven months, we organized five major events which extended from technical, non-technical and community related. This community for the students strives for overall professional development for those interested in computing, computing machinery and related technologies. ACM-W@KJC also engages its members in Social related issues which helps them for the holistic development. The Chapter encourages the students to take active interest in the emerging technologies by honing their skills through Workshops, Seminars and by organizing various Technical Events. It focuses on academic and professional quests by empowering our members to target their goals and achieve it by sharpening their knowledge and encouraging the women's contribution to technology. At present we have 11 active members.

About School

Kristu Jayanti College, founded in 1999, is managed by "BODHI NIKETAN TRUST", formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The college is affiliated to Bangalore University and is reaccredited with highest grade 'A' by NAAC in Second Cycle of Accreditation.

Number of students at your school who take computer science and related courses, and typical majors of your chapter members (1000 character maximum):

About Computer Science Department

The science department was started with the inception of the college in 1999. The programmes offered under the Deanery of Sciences comprise of multidisciplinary and interdisciplinary courses that facilitate student progression in various fields of Computer science. The departments that fall under the purview of the faculty of sciences are the Departments of Computer Science (UG), Department of Life Science and Department of Computer Science (PG).

The Department of Computer Science (UG) has Bachelor of Computer Science and Bachelor of Computer Application with around 850 students. The chapter members are all majors of computer science.

The curriculum of the various programmes covers the latest updates and technical innovations in the fields of Computer Science and Information Technology.

An essay on the category for which your chapter would like to be considered (4000 character maximum - approximately 500 words):

ACM-W Student Chapter Kristujayanti College

Website is the window for seeing the world with its beauty and uniqueness. With this aim, the youngest ACM-W Student Chapter established in the month of August 2017, with its full enthusiasm and vigor has developed the website for the ACM-W@KJC to portray to the outside world about the events and activities which has happened through this student chapter.

This website was created from a basic template which was enhanced gradually with additional features to serve the purpose of ACM-W Student Chapter of Kristu Jayanti College. The Event details are added as and when the new events are planned. The announcement of the new events is made in the home page itself and the completed events are moved to the previous Event's Page.

Unique Features:

- Every Event has a dedicated page with details and description with the gallery.

- Can download/upload the registration file for each event based on the format of registration.

- A dynamic Registration page is developed to ease the students to register and participate in the upcoming Events.

- The details of all the events organized by the chapter with the report can be accessed from our website.

Design and Content:

- Simple design which can be used even by a non-technical person that can be easily navigated.

- Very easy to Manage the pages with upcoming events and past events.

- The basic knowledge of website design is only required for the designers and developers as it is developed in PHP with database MySQL.

Future Enhancement:

- Will be including a feedback page which can be downloaded by the admin.

- Planning to connect to some online payment portal for registration fee payment.

- Automatic Generation of reports as per some specified format planned by ACM-W Student chapter with generation of graphs from feedback reports.
